

FAQs

Do my lessons have an expiration?

Yes - all passes have an expiration date. Private lesson packages expire one year from their purchase date. Most people find this to be plenty of time to use all their lessons. We do not extend the expiration date, so use up your lessons in time!

How can I schedule/reschedule my lessons?

We can book/change/cancel lessons at no cost to you when you give at least 24 hours of notice during our business hours. Call 801.466.0490 or send an email to frontdesk@dfdancestudio.com, Mon-Fri 12-8pm, Sat 10-4pm. That means Monday lessons need to be booked/rescheduled by Saturday at 4pm. Our policy is to charge the full amount for all "late cancellations" (less than 24 hour notice) unless we can find another student to take your time slot.

What should I wear to lessons?

Something comfortable! We recommend practicing in your wedding shoes at least twice, so you'll eventually want to bring those along.

How do we keep dancing after the wedding?

You have lots of options! You can continue with private lessons and work with any instructor in any style – our instructors are experts in Ballroom, Tango, Swing, Salsa, & more! You can also try some group classes. Drop-in to our Couple Date Night class or Intro to Salsa/Bachata any week to learn fun steps at a beginner level. We also offer 12 or 13 week courses that meet once a week in Salsa, Bachata, West Coast Swing, Argentine Tango, Country Western & Social Dancing. Whatever your dance wish is, we can help you reach it!

Capture Your Experience!

We love to highlight our wedding couples on our YouTube channel, website, Facebook page, Instagram – you name it.

If you're interested in having videos & photos taken at your lessons, we are happy to do so FREE of charge. We will also edit the photos & videos into fun video reels FREE of charge and we are always happy to give you a copy to keep. Just let your instructor know that you want to be highlighted and he/she can get that in the schedule.

Tips:

Think About Your Wedding Clothes

While working with your instructor, keep in mind the shoes and attire that you'll be wearing.

Some dresses and tuxes can make lifting your arms a challenge, trains on dresses can make it more difficult to spin, and skinny heels can make it wobbly to dance.

There's no need to change what you're wearing – we just want to make sure to prepare you for these challenges and modify your steps if necessary. You're safe with us – we'll make sure you look great on your big day.

Start Early

We recommend starting lessons 2-5 months before your wedding date. Take the stress out of your first dance by leaving plenty of time to get your dancing just right.

If you're a last-minute type of person, we can still help! Schedule a lesson as soon as possible so we can make sure to get you in.

Have a Song in Mind

Having a song already picked out will help us understand which style of dance matches you best. Please mention your song when scheduling your lesson for the first time.

If you're just not sure which song to pick, don't worry! We have a list you can choose from on your first lesson. Relax, your instructor has lots of experience and can point you in the right direction.

What to expect:

On Your First Lesson

- Please arrive 5-10 minutes early to fill out the liability waiver at the front desk
- Your instructor will greet you at the time of the lesson and then direct you towards the correct practice area
- When your lesson is early in the day, you'll probably have your own room. In the evening, you'll usually be sharing a room with others and your instructor will show you the music receivers we use so everyone has their own private music
- The lesson is 50 minutes long, and at the end you have an option to take a video of what you did (we highly recommend this for practicing, plus you'll enjoy looking back and seeing how far you've come)
- At the end of the lesson, your instructor will help you schedule your next lesson. Come back often for the best results!
